I Just got back from Amsterdam for my first-ever conference.

Two days later and I'm still speechless 🥰

**awwards**. Conference 2022 was a life-changing experience for me.

Lots of talks, insights, and breathtaking projects (and lots of fun 🥰).

But the best part was being able to meet so many talented people that share my same passion.

I felt at home.

I can't thank enough, **Brune Arizio**, **Lama Lama**, **Cabeza Patata**, **Build in Amsterdam**, and (especially) **Niccolò Miranda** for being such inspirations. Being in the same room as **Adoratorio**, **Locomotive** was so thrilling. You sparked my passion 🙌

Now, I can't wait to get back to work, more motivated than ever.

Until next time 🍷

P.s. Shoutout to **Valentina Marafioti** for being the best travel companion I could've ever ask for.
